February 26, 2014

Dear Sir/Madam:

I am pleased to write a reference for Victoria McElhill.

I have known Victoria since she began working at Marist Brothers International School in August, 2012. Victoria has been employed at our school as an Art teacher since she arrived here 18 months ago.

Victoria has taught students ranging in age from 3-18 years old. Victoria's lessons are always well planned and she puts a great deal of thought into what she does. Victoria always spends a great deal of time decorating the school with the fabulous range of things she has had students create. Victoria has an excellent rapport with the children she teaches and shows great interest in what they do. Victoria has also been a homeroom teacher since she has been here. In this role, she has taken time to help out students in need of extra support.

Victoria has run many other things outside of the classroom including an all school art competition and an after school clay club. Both of these activities had a high number of participants and were very well organized.

Over the past 18 months, any task that I have entrusted Victoria with, she has completed professionally. She has put a great deal of time in aligning the Californian Standards with her curriculum.

Personally, Victoria is a considerate and fun-loving woman who is well liked by all members of staff.

I am happy to recommend, Victoria McElhill, as an employee.

Yours Sincerely,

Derek Lipp
Deputy Head of School
